

Plum Brook Junior Golf 2010

Dear Plum Brook Junior Golfers and Parents,

Welcome to the 2010 Junior Golf Season!

In recent years, we have seen an increasing amount of Junior Golfers wanting to play and this year is no different. We are excited about the program's success and hope to see a continued growth. With the increasing number of juniors, parent participation is vital to the success of our junior golf program. If you would like to help out, check the dates below and let us know when you would be available.

This season's junior golf will be unlike any other. As Golf Professionals, we are committed to promoting and growing the game of golf at our club and it starts with our juniors. We feel that in the past, the Golf staff was unable to spend enough time with each child. The reasons were mainly the arrival time and the number of children in the clinics. With that being said, this season's instructional periods will now be held on Wednesday afternoons with the exception of the 1 Holvers. This will allow our staff the opportunity to provide more one on one time with each child. The juniors will still play golf on Friday mornings at their set time but their instructional period will be held on Wednesdays at the set times listed below. The clinics for the 1 Hole division, will be held on Friday mornings at 8:45-9:15 a.m. Following the clinic, the juniors will play their 1 Hole. Also we enjoy being able to coach and guide the junior golfers in their game, and are unfortunately unable to watch over every group as they play on the course. This is why we request the parents' participation and welcome them on the course as their children develop their golfing skills. We know this is a big change from previous years, if you have any questions regarding Junior Golf please feel free to contact us at the Golf Shop.

Once again, we look forward to a great summer and welcome the parents to join their child as we all learn the game of golf together. We have included a sign up sheet within the packet, please fill it out and return it to the Golf Shop ahead of time. Also, there will be a sign up for Junior Golf at the Club with the synchro swimming sign up on May 20th at 6:00 p.m.. Thank you and we look forward to seeing you in the weeks to come.

Sincerely,

The Plum Brook Country Club Professional Golf Staff
Eric Morgan
Tim Perin
